**Message from the General Manager &
Head Golf Professional:**

John H. Childs, Jr.

johnchilds@cypresslakesgolfclub.net

Congratulations to Joe Murphy for shooting 62 from the #3 tees. A new course record. Very impressive.

We want to thank those of you that have already donated to our Employee Christmas Fund and to those that plan on donating. We will be having our annual Employee Appreciation Day later this month and will be dispersing your generous donations.

Give yourself a Christmas gift by getting your grips replaced in December. All grips will be 20% off. Installation is only \$3/grip.

I would like to wish everyone a very Merry Christmas and Happy New Year.

John

**A word from your Golf Course
Superintendent: Andy Woolston**

andywoolston@cypresslakesgolfclub.net

The end of another growing season is upon us. This means that Holidays are right around the corner. On behalf of the maintenance crew, I would like to thank you for all the support and wish you a safe and Happy Holiday Season.

Frost delays are as much of an inconvenience for superintendents as they are for you. Agronomic principles prevent us from allowing you to play on frosted turf. Each frost delay is unique and there is no set answer for handling frost. 38 degrees Fahrenheit (read at the maintenance shop thermometer) seems to be the magic number. If the air temperature in the shade is less than 38 degrees, frost remains. We will utilize all available resources to prepare the golf course for play as soon as possible following a frost delay. Thank you for your patience and cooperation.

Tip of the month:

It is important to remove leaves from your lawn. If you can store and harvest leaves and debris, they will make great compost this time next year. Hold off on pruning ornamental trees and shrubs until mid-January to late February (only prune during months that end in "ARY"). Insect and disease damage is still possible if you prune too early.

Andy

Rule of the month:

Question: My ball was next to a tree. To hit the ball I would be standing on an ant bed. Do I get any relief?

Answer: Yes, you get full relief plus 1 club length no nearer the hole...no penalty.

Rule: 16.2

Tee sign sponsors (Please support our member's LOCAL businesses)

#1... Wayne Hood (Underwood Anderson & Associates.....434-5526)

#3...Dr. Bob Cowan member #5450 (Accupunture Chiropractic Center469-9633)

#10 Kings Hub Tree Service.....(Bobby Wyatt 850-497-5450)

#16...Southern Pipe & Supply...433-4689

#18...Lee Empie member #5390 (Empire Land Surveying....477-3745)

Contact John Childs (850-937-3820) if you would like to be a tee sponsor \$400 annually (\$500 for #1 & #10).

Pro Tip of the Month

Keep your spine angle the same throughout your back swing and down swing until impact. To see if your spine has moved, take a backswing and stop it at the top. Your spine angle should not have changed positions. Another way to see is to swing with your shadow in front of you. If your head moves before the impact position, your spine is moving. Spine angle movement is one of the major causes of miss hit shots.
