Happy New Year! Thank you for your support and encouragement this past year. We hope you are well and ready for the adventures that this year will bring. This is the time of year we focus more on projects. Tee renovation is at the top of our list followed by drainage projects. We will also be spraying herbicides for weeds and doing annual maintenance on equipment.

Thank you again for your support as we do our best to make Cypress Lakes an enjoyable place to play golf.

Turf Tip of the Month

January is a great month to get soil testing done. Any good interpretive program begins with testing. When a doctor evaluates a patient, he always runs medical test before making a diagnosis. It should be no different with your soil. Soils need the right balance of nutrients to provide the optimum soil environment to allow for the proliferation of beneficial microorganisms. When soils are healthy the turf is better able to absorb the right nutrients and withstand stresses. Your county extension office can help with soil testing information.

Andy

Rule of the Month

Question: My playing partner and I hit each other's ball in the fairway. Who is penalized?

Answer: You both are. You both have to go back and play from as close as you can where the balls where. 2-Stroke penalty

Rule: 6.3c

Good Luck! John

Let the Aces Fly!!!

Congratulations to **Larry Lanham** for making a hole in one on #4 from 142 yards using a 6-hybrid. Gary Thomas & Carl Nesbitt witnessed this rare shot.

Congratulations to **Randy Bryan** for making his 1st hole in one on #8 from 158 yards using an 8-iron. Ralph Bryan and Bryson Bryan witnessed the shot.
