Volunteers Putting Champ: David Kemp
Overall Putting Champion: Don Walker

Rule of the month:

Question: I was in the rough and there was
a long blade of bahia grass behind my ball.
Can I bend it or yank it out of my way?

Answer: No, you cannot bend, break, or
move any growing or attached natural
object

Rule: 8-1a

(NEW) Friday Dogfight

Play in your regular group

\$3 entry fee

(payout in shop mdse credits)

(MUST HAVE A GHIN HDCP)

**A word from your Golf Course
Superintendent: Andy Woolston**

andywoolston@cypresslakesgolfclub.net

Happy New Year! Thank you for your support and encouragement this past year. We hope you are well and ready for the adventures that this year will bring. This is the time of year we focus more on projects like drainage, lake banks, tee boxes, cart path edging, and etc. We will be spraying herbicides for weeds and doing annual maintenance on equipment. One of our priorities will be looking into cart path improvements. Thank you again for your support as we do our best to make Cypress Lakes an enjoyable place to play golf.

Turf Tip of the Month

January is a great month to get soil testing done. Any good interpretive program begins with testing. When a doctor evaluates a patient, he always runs medical test before making a diagnosis. It should be no different with your soil. Soils need the right balance of nutrients to provide the optimum soil environment to allow for the proliferation of beneficial microorganisms. When soils are healthy the turf is better able to absorb the right nutrients and withstand stresses. Your county extension office can help with soil testing information.

Our Tee Guidelines:

#1 tee: 250+ yard avg. drive
#2 tee: 225-249 yard avg. drive
#3 tee: 200-224 yard avg. drive
#4 tee: 175-199 yard avg. drive
#5 tee: 150-174 yard avg. drive
#6 tee: 125-149 yard avg. drive

Always play READY GOLF.

Pro Tip of the Month

(oldie but goodie)

Make the game a lot more fun by playing from the appropriate tees. Here is an easy way to figure out if you are playing the correct tee markers.

On a normal day with little wind and about 15 yards of roll, if you are hitting more than a 5-iron into #1 after a good tee shot, you need to move up a set of tees.

Our Tee Guidelines:

- #1 tee: 250+ yard avg. drive
- #2 tee: 225-249 yard avg. drive
- #3 tee: 200-224 yard avg. drive
- #4 tee: 175-199 yard avg. drive
- #5 tee: 150-174 yard avg. drive
- #6 tee: 125-149 yard avg. drive

Try these tips and I promise they will help your game.

Good Luck! John
