Storm repairs are moving slowly. The roof has been repaired and we hope to start interior repairs by the end of this month. Our goal is to be back in the clubhouse by November. I have been asked what is the plan; are we going to demolish and rebuild, are we going to do anything different? I wish I could say “Yes” we are going to bulldoze and build a big new clubhouse. But unfortunately, it doesn’t work that way. We are insured but only for repairing the current building back to pre-storm conditions. The good news is, it will be all new and fresh inside once we are done. It’s been a tough road finding contractors and dealing with adjusters and insurance companies. I know my patience has run very thin throughout this process but there is a little light at the end of the tunnel. Our temporary office space is very tight and cramped but sufficient for our needs. I know I speak for everyone that we all are looking forward to being back in our clubhouse.

I am excited about where the golf course is going. Thanks to Andy and his staff, Cypress Lakes is one of the best condition courses in the area. We plan on continuing our improvement projects this month. We have re-hired the company to begin work on #6 tee box (#3 & #4 tees) and we will be expanding and correcting the drainage of our practice bunker.

Thanks to all of you that have donated to our Storm repair fund and for your continued support of the club and staff.

**A word from your Golf Course  
Superintendent: Andy Woolston**

Summer is on and it's time to grow grass. We will be aerifying our greens on the 12th and 13th. We should recover quickly this time of year. We will also work on aerifying tees this month.

If we have enough help and the weather holds out we are hoping to start back on an improvement project. Thank you for your support as we do our best to make Cypress Lakes a fun place to play golf.

**Tip:**

Keep yourself and your turf hydrated.  
Irrigate heavy but less often opposed to  
light and every day.

**Golf Humor**

“If you think it’s hard to meet new people,  
try picking up the wrong golf ball.” —

Jack Lemmon, a true comedian on and off  
the course.

**Annual Tee Sign  
Sponsorship**

**\$400.00**

(Includes Professional Sign)

Still holes available.

***Always play  
READY GOLF.***

### Pro Tip of the Month

## **How to Repair a Ball Mark**

A ball mark repair tool is recommended, but other pointed devices can be used (tee or knife). Push don't pry, starting from the back and sides, gently push and stretch the turf to the center of the mark. Work around the ball mark until it's filled in. Avoid lifting & twisting the turf harshly. Use your putter to lightly tap down the mark. Fix other marks in addition to yours.

Let's keep our greens in great shape.

### Rule of the Month

**Question:** I hit my ball on #18 fairway from #16 tee box. The group on #18 didn't realize it was my ball and picked it up. What do I do?

**Answer:** You replace the ball as close to the original spot as you can. No penalty for you or the person that picked it up.

**Rule:** 9.6
