### Junior Golf

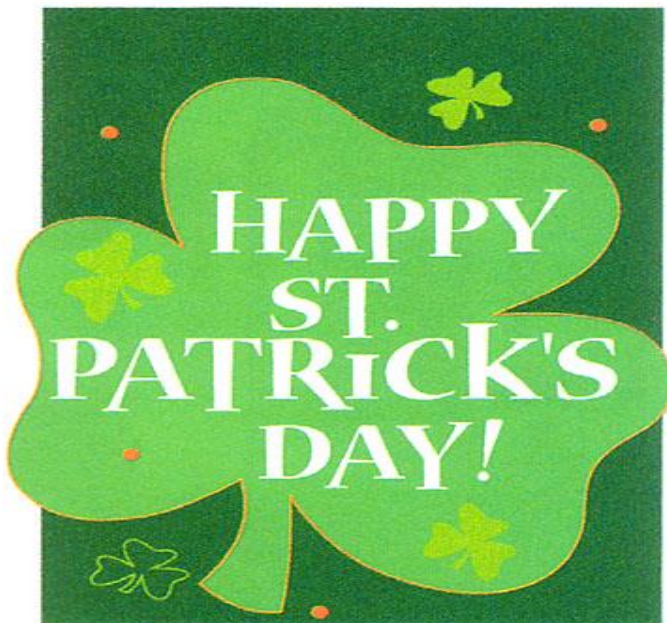

If you have any good golf balls you would like to donate to my junior program, I would appreciate it. The kids use them to not only play but for practicing.

### Towels

If you are doing spring cleaning and getting rid of your old bath towels, we can use them to clean & dry carts.

### Coolers and Range Baskets

Coolers and range baskets are not to be taken off property. Please return any you may have. Thank You!

### A word from your Golf Course Superintendent: Andy Woolston [andywoolston@cypresslakesgolfclub.net](mailto:andywoolston@cypresslakesgolfclub.net)

March is here ! We will be focusing on weed and insect control. I feel like we are behind on spraying for weeds due to some sprayer problems and wet weather we had last month. We should be able to catch up quickly with some favorable weather. Wednesday the 25th we are planning on contracting with a company to come in and slit in mole cricket control. We will try to do this without disrupting play too much. We also have plans to start tee and bunker renovation projects.

Thanks for your support as we do our best to make Cypress Lakes Golf Club a fun place to come play.

### Turf Tip of the Month

March is a transition month with ever changing conditions. This is hard on many plants because they are coming out of dormancy and have tender new growth. Still stay aware of low temperature and cover your flowers and plants if necessary. It is best not to overfeed plants until the weather gets more consistent.

*Andy*

### **Golf Humor**

“You’ve just got one problem. You stand too close to the ball after you’ve hit it”. – Sam Snead

### Rule of the month:

**Question:** Do I get relief from out of bounds stakes or fences?

**Answer:** No

**Rule:** Definition of Obstructions

## **Pro Tip of the Month**

Putt when you can, chip when you can't putt and only pitch if you have to. You have more control of the ball the lower it goes. Don't hesitate to putt from off the green. Especially when the ground is wet and tight.
