**Message from the General Manager &  
Head Golf Professional:**

**John H. Childs, Jr.**

[johnchilds@cypresslakesgolfclub.net](mailto:johnchilds@cypresslakesgolfclub.net)

We will be moving back into the clubhouse this month. It's been a long road but finally some light at the end of the tunnel. We are hoping the back patio will be completed by year's end.

**Congratulations to all raffle winners:**

- 1-Year Membership + 30 carts...Bill Mixson (#905801)
  - Epic Driver...Eddie Soyka (#904596)

  - 1-Dozen ERC...Jeff Pomeroy (#905124)
  - 1-Dozen ERC...Joe Chesney (#905080)

**Rule of the Month**

**Question:**

I know you can't ground your club in a bunker but is there a penalty if you accidentally touch the sand on your backswing?

**Answer:**

Yes, a 2-stroke penalty.  
You cannot touch the sand until your downswing.

**Rule:**

8.1b

**Good Luck! John**

**A word from your Golf Course  
Superintendent: Andy Woolston**

[andywoolston@cypresslakesgolfclub.net](mailto:andywoolston@cypresslakesgolfclub.net)

Over the next few weeks we will be over seeding our tees. Light frequent irrigation is needed until the seedlings have rooted. Since we are heading into fall and the Thanksgiving season, I am thankful for the staff that we have. We have some excellent people who care about the course and help me out tremendously.

We also are very thankful for your patience and support while we have been through many storms this past season, starting with the big one that hit the club on April 15. We will be starting our winter projects soon and will continue to make Cypress Lakes a fun place to play.

Happy Thanksgiving!

**Turf Tip** It is nearing time to put your mowers away for the winter. Be sure to fill the fuel tank and use a fuel stabilizer. This will prevent moisture from collecting and ensure longer engine life. Clean your mowers thoroughly to remove all clipping debris and buildup. Moisture collects in the buildup and causes mower decks to rust.

During the winter months, sharpen mower blades and coat with a light film of oil to prevent rust.

**Congratulations to  
Don Walker**

for making his 3<sup>rd</sup> ace on #17 using an A-wedge from 85 yards. Lawrence Melnyk & Jason Kraszewski witnessed the rare shot.

**Annual Tee Sign Sponsorship**

**\$400.00**

(Includes Professional Sign)

**Still holes available.**

### Pro Tip of the Month

#### **Don't fix the wrong problem.**

Before changing your swing, grip, stance, ball position, etc. make sure you diagnose the problem. It may be an easy fix. BUT, if you change the wrong thing, you now have multiple problems.

If the ball starts at your target, then curves away from it, you may have a simple grip issue. Strengthen your grip for more of a hook and weaken your grip for more of a fade. REMEMBER: when strengthening or weakening make sure you move both hands not just one.

If the ball does not start at your target you may have a more serious problem with your swing path. Fixes include but by no means are limited to: setup & alignment, correcting your transition, grip, or a flying elbow just to mention a few.

Fixing a problem is easier once you know what the problem is.

**Good Luck! John**

**Do you want to enjoy golf more?????
