What a year we have had so far. Challenging to say the least. Hurricane Sally blindsided us with a sucker punch but our staff stepped up and worked extremely hard to get the golf course playable within 5 days. We also had a lot of help from a handful of members that we can't thank enough. Please be patient with us as we continue to clean up. Remember, you cannot be penalized for a ball coming to rest in a pile of debris, even if you can't find the ball. If your group agrees the ball went in a pile, you get a free drop one clublength no nearer the hole whether you find your ball or not.

Don't forget upcoming events:

- Travel Group to Rocky Bayou Oct. 2nd
- Club Championship October 17th & 18th.
- Raffle drawing on Oct. 18th so don't forget you tickets.
- Turkey Shoot Nov. 21st

September seemed to fly by, but it will not be forgotten. Last year we were in a drought with no measurable rain in September. Sally insured that this year would be much different. We are thankful that the damage was less for us than previous storms. It has rearranged our priorities. We will continue to maintain the main playing surfaces along with continued storm clean up. Our bunker and tee improvement projects have not been canceled, just pushed back. The wet weather we have experienced has exposed more drainage issues that we need to address at some point. Thank you for your patience as we do our best to make Cypress Lakes a fun place to play golf.

Tip of the month:

If you overseed, the next 6 weeks are the best time to do it. Avoid high nitrogen fertilizer. Instead fertilize with higher rates of potassium.

Let the Aces Fly!!!

Jim Mills made his 5th hole in one on #17 using a sand wedge from 76 yards. Don Walker, Don Hudson, & Dave Gilmore witnessed the great shot.

Dale Bain made his 7th ace on #4 using a 4-hybrid from 155 yards. John Chapman, Alan Coleman, Scott Mudge, & Lawrence Melnyk got to see this rare shot.

Rule of the month:

Question: I accidentally hit the wrong ball. What do I do?

Answer: If it is "not a serious breach*", you continue playing the wrong ball and add 2 strokes.

If it is a "serious breach", you must find and play the correct ball, with a two shot penalty. All strokes made with wrong ball do not count.

Rule: 14.7b

*A "serious breach" gives you an advantage.

Pro Tip of the Month

Make the game a lot more fun by playing from the appropriate tees. Here is an easy way to figure out if you are playing the correct tee markers.

On a normal day with little wind and about 15 yards of roll, if you are hitting more than a 5-iron into #1 after a good tee shot, you need to move up a set of tees.

Our Tee Guidelines:

- #1 tee: 250+ yard avg. drive
- #2 tee: 225-249 yard avg. drive
- #3 tee: 200-224 yard avg. drive
- #4 tee: 175-199 yard avg. drive
- #5 tee: 150-174 yard avg. drive
- #6 tee: 125-149 yard avg. drive

Try these tips and I promise they will help your game.

Good Luck! John
