**A word from your Golf Course
Superintendent: Andy Woolston**

andywoolston@cypresslakesgolfclub.net

September should be a little drier and less humid if we can avoid getting any tropical systems coming our way. We are still busy with mowing and set up on a daily basis. This month we are also spraying pre and post herbicides to suppress weeds. Our continued goal is and always will be to improve the golf course. The excessive rain we have had the past few weeks/months has not only made it challenging to mow but also to do routine maintenance practices. One thing you can help with is by keeping the carts (and pull carts) out of wet areas and on the cart paths around the tees and greens. Thank you for your support as we strive to make Cypress Lakes Golf Club a fun place to play golf.

Turf tip:

Late season fertilizer should contain a high percentage of Potassium. There are three numbers on a fertilizer analysis. The first number is Nitrogen, second is Phosphorus, and the last number is Potassium. Potassium is important for root development, increases plant hardiness, and aids in spring green up.

Rule of the Month

You receive a one club length relief from the nearest point of relief from gravel areas. Like the area around the wells on #5, #7, #16, #18.

Pro Tip of the Month

Want to improve your game?

You need to improve the way you practice. I see many of you hitting range balls (and that is a good thing) but I don't see many of you practicing the short game. If you want to get better, determine the amount of time your practice session will be and then split into 1/3's:

- 1/3 putting & chipping
- 1/3 pitching & bunkers
- 1/3 driving range

Try this out for a few months and I promise you will improve.

**Try these tips and I promise they will help your game.
Good Luck! John**

Blackwelder +2

**Senior Golf
Association Monthly
Golf Tournament**

August Scramble

Rained Out

**The next event
will be:
September 20th**

Format:

4-Person Scramble
Sign up individually and we will pair you up.
Men age 50-59 #2,
Men age 60-69 #3
Men 70 + #4, Women #4.
Women 60+ #5

Officers:

President: Dennis Durant
Vice-President: Vacant
Secretary/Treasurer:
Milton Clark

Our Tee Guidelines:

- #1 tee: 250+ yard avg. drive
- #2 tee: 225-249 yard avg. drive
- #3 tee: 200-224 yard avg. drive
- #4 tee: 175-199 yard avg. drive
- #5 tee: 150-174 yard avg. drive
- #6 tee: 125-149 yard avg. drive

Etiquette:

PLEASE avoid dragging your feet on the greens. This time of year the greens have a tendency to scuff up. Help out by tapping the scuffs down.
