**Rule of the Month**

**Question:** I took a practice swing on the tee box and accidentally hit the ball. What do I do?

**Answer:** Since you did not intend to hit the ball, there was no stroke. You can re-tee and hit your drive with no penalty.

**Rule:** 10.1d

**Good Luck! John**

**A word from your Golf Course  
Superintendent: Andy Woolston**

[andywoolston@cypresslakesgolfclub.net](mailto:andywoolston@cypresslakesgolfclub.net)

It is time again for overseeding our Tees. We will be watering more frequently until the seedlings have rooted. Please leave tee markers off to the side of the tee. We leave them in one area until most of the seed has established then we go back and reseed areas that have been worn out.

While the overseed is rooting on the driving range, we will need to be on the driving range mats for an extended period of time.

Please help us out by adhering to the daily cart path rules. We will most likely start getting rain sometime this month. During the dormant season, grass does not use as much water so when it gets wet it tends to stay wet longer than the growing season. Thanks for your support as we try to make Cypress Lakes a fun place to play.

**Turf Tip**

It is nearing time to put your mowers away for the winter. Be sure to fill the fuel tank and use a fuel stabilizer. This will prevent moisture from collecting and ensure longer engine life. Clean your mowers thoroughly to remove all clipping debris and buildup. Moisture collects in the buildup and causes mower decks to rust. During the winter months, sharpen mower blades and coat with a light film of oil to prevent rust.

*Andy*

***Etiquette***

Please repair your ball mark plus one and tap down any scuff marks before leaving the green.

**Pro Tip of the Month**

If you are missing a lot of putts inside 4 feet, you probably are moving your head & body. Listen for the ball to drop. You should never see a short putt go in. Give it a try. It's hard but worth it.

**John**
