Course Record Tied

Our very own Jack Wallace shot 63 from the #1 tees on May 23rd. He tied the late Bob Wiscombe who did it in 2008. A fantastic round and he even did it making two bogies. Congratulations!!!

Marshal/Starter

We have a couple of slots left.

**A word from your Golf Course
Superintendent: Andy Woolston**

andywoolston@cypresslakesgolfclub.net

Summer is on and it's time to grow grass. We will be aerifying our greens on the 15th and 16th. We should recover quickly this time of year.

We are in need of part time seasonal help. We would prefer early before the heat and the course is full. Monday thru Thursday.

We will be spraying our tees and greens for goosegrass, with a herbicide that will bleach out our bermudagrass. This is temporary and will soon recover, with less goosegrass.

Please remember that carts are always to be kept on paths around tees and greens. When we are “Cart path only”, where there are no cart paths, select a rough and stay on it for the entire hole. Do not cross the fairway. Thank you for your support as we do our best to make Cypress Lakes a fun place to play golf.

Turf Tip:

Keep yourself and your turf hydrated.

Andy

Rule of the Month

Question: How far back can I go from the tee markers? Do my feet need to be between the markers?

Answer: You can go up to two club lengths behind the markers. No, your feet do not have to be in between the markers

Rule: 6.2b

Did you know this?

Pro Tip of the Month

Know your maximum hole score

If you happen to struggle on a hole during a casual round, *you do not have to finish it!* The maximum hole score for handicap purposes is NET DOUBLE BOGEY, so feel free to pick up once you have reached that limit to keep up a good pace of play.

NET DOUBLE BOGEY equals double bogey plus any handicap strokes you receive.

Example: A player with a course handicap of 10 receives 1 stroke on holes allocated 1-10. On a par 4 hole with a stroke index of 5, their NET DOUBLE BOGEY max is 7 (double bogey +1).

LGA Wednesday Play Day

**Off for the summer!
Start back September 4th**

Our Tee Guidelines:

- #1 tee: 250+ yard avg. drive
- #2 tee: 225-249 yard avg. drive
- #3 tee: 200-224 yard avg. drive
- #4 tee: 175-199 yard avg. drive
- #5 tee: 150-174 yard avg. drive
- #6 tee: 125-149 yard avg. drive

Etiquette 101

A great way to help speed up play is to only take one practice swing. There's no need to take multiple swings, plus you won't get worn out so fast.
