**Message from the General Manager &
Head Golf Professional:**

John H. Childs, Jr.

johnchilds@cypresslakesgolfclub.net

GHIN handicap renewal time

To avoid any interruption, you have until January 21st to renew your handicap (\$20 annual fee). Any staff member at the counter can help you with the renewal process.

Coming in 2025

- Completion of cart path #5
 - Complete all bunker renourishment/renovations
 - Repair on-course gazebos
- Adding Pin prisms to help with range finders
- Continuation of tee box reconstruction

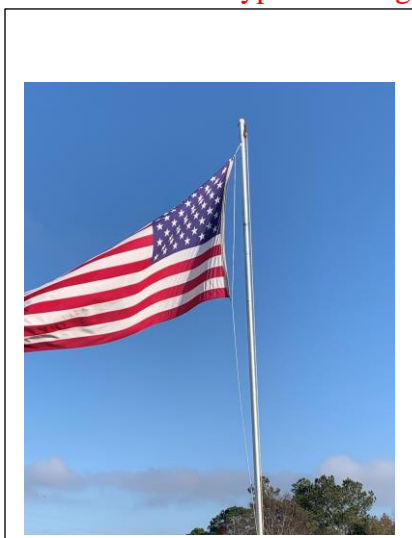

Please communicate with Pro Shop

If you will be unable to make your tee time please call and cancel even if it is the same day or even if it is 30 minutes before. We frequently have guests waiting to play in case of cancellations.

**A word from your Golf Course
Superintendent: Andy Woolston**

andywoolston@cypresslakesgolfclub.net

Happy New Year!

Thank you for your support and encouragement this past year. We hope you are well and ready for the adventures that this year will bring. This is the time of year we focus more on projects like drainage, lake banks, tee boxes, cart path edging, and etc. We will be spraying herbicides for weeds and doing annual maintenance on equipment. Also, during these winter months we will have frost delays. Thanks again for your support as we do our best to make Cypress Lakes an enjoyable place to play golf.

Turf Tip of the Month

January is a great month to get soil testing done. Any good interpretive program begins with testing. When a doctor evaluates a patient, he always runs a medical test before making a diagnosis. It should be no different with your soil. Soils need the right balance of nutrients to provide the optimum soil environment to allow for the proliferation of beneficial microorganisms. When soils are healthy the turf is better able to absorb the right nutrients and withstand stresses. Your county extension office can help with soil testing information.

Andy

Thank you Neal Johnson!

The Flag of the United States currently flying at Cypress Lakes Golf Club adjacent to the clubhouse was donated by one of our members, retired U.S. Navy Master Chief Neal Johnson. This Flag was presented to Master Chief Johnson from the Command Master Chief of USS Enterprise at the Inactivation Ceremony aboard Naval Base Norfolk, Virginia. This Flag had been flown during the ship's last deployment after departing Naples, Italy. Enterprise is the only aircraft carrier to house more than two nuclear reactors, having an eight-reactor propulsion design, with each reactor taking the place of one of the conventional boilers in earlier constructions. She is the only carrier with four rudders; two more than other carrier classes, and features a more [cruiser-like](#) hull. At 1,123 feet (342 m), she is the [longest naval vessel](#) ever built. Enterprise was, at the time of inactivation, the third-oldest [commissioned](#) vessel in the United States Navy after the wooden hulled USS Constitution and USS Pueblo. She was inactivated on 1 December 2012, and officially decommissioned on 3 February 2017, serving the U. S. Navy for 55 years!

Pro Tip of the Month

Constant Grip Pressure

Try to maintain the same grip pressure at transition not only when you swing but when you putt, chip, and pitch. Don't be too loose or too tight. Constant pressure will help avoid "flipping" the club at transition.

Good Luck!

Visit Our website:

www.cypresslakesgolfclub.net

and you will find a library of past newsletters with monthly tips.

Good Luck! John

President:
Dana Weeden
Vice-President: Steve Bass
Secretary/Treasurer:
Brad Grissom

Rule of the Month

Question: I accidentally touched the sand with my club. What's the penalty?

Answer: There is no penalty if you did not touch the sand directly in front of the ball or directly behind the ball AND you did not deliberately touch the sand to test the condition of the sand.

Rule: 12.2b

Good Luck! John

Please play READY GOLF!!!
