**Our Senior Golf Association is**

looking for passionate and motivated individuals who would like to manage the Senior Association (Men and women ages 50+) play days and maybe take it in a different direction. Instead of once per month, maybe weekly, maybe a different format. If interested, please swing by my office and let's talk about it.

**Don't forget  
Father's Day**

June 15<sup>th</sup>

Dads love golf stuff!

**"Fill-in" Marshal/Starter  
spots available**

If you would like to be a fill-in when it works with your schedule, give Thomas a call 850-937-3820 and he will go over the program with you.

**A word from your Golf Course  
Superintendent: Andy Woolston**

[andywoolston@cypresslakesgolfclub.net](mailto:andywoolston@cypresslakesgolfclub.net)

May was a mild month with few hot days. This has the turf still transitioning from cool season to warm season grasses on our tees. The Bermuda grass should be filling in on the tees much better by the middle of this month. We will try to squeeze in a few sod projects if we can keep up with mowing.

Please remember that carts are always to be kept on paths around tees and greens. When we are "Cart path only", where there are no cart paths, select a rough and stay on it for the entire hole. Do not cross the fairway. Thank you for your support as we do our best to make Cypress Lakes a fun place to play golf.

**Tip of the month**

Keep yourself and your turf hydrated, treat for summer annual weeds, and keep your mower blade sharp.

*Andy*

**Let the Aces fly in May:**

**Dave Frederick** made his 3<sup>rd</sup> hole-in-on on #8 using a 7-iron. Neil Forrester, Don Walker, and Rodney Pennock witnessed this rare shot.

**Mike Mosley** made his first hole-in-one on hole #14 using a 7-iron. George Webb, Dale Bain, & John Chapman witnessed the great shot.

**Nick Geeker** made his fourth hole-in-one on #17 using a 9-iron. Tony Shoemo, Nate Coleman, and Will Hall witnessed the shot.

**Caden Pocopanni** made his first hole-in-one on #17 using a PW. Steve Pocopanni, Jack Wallace, & Lawson Thiesen witnessed the shot.

***Congratulations!!!***

**Please play  
READY GOLF!!!**

### **Pro Tip of the Month**

Do you miss a lot of putts? Normally it is operator error. However, it might not be your fault. If your putter is not fitted to your stance, setup, and stroke, it just might be the putter's fault. You can either change the way you setup, change your stroke, or both. If you have a "heel/toe" balanced putter your eyes should be directly on top of the ball and your stroke needs to be straight back and straight through. If you have a "toe weighted" putter, your eyes should be set back and your stroke needs to be more of an arc type stroke.

ANOTHER reason that it might be the putter's fault is if there is too much or not enough loft in your putter. If your brain thinks the putter looks closed (too much loft) you will aim the putter too far to the right (left for lefties). If your putter looks open (less loft), your brain will aim you too far to the left (right for lefties).

There's a lot to consider when choosing a putter. If confused, come see me and we can determine if the putter you are using is the right one for you.

### **Rule of the Month**

**Question:** In competition, I did not thoroughly check my scorecard and signed it anyway. I then realized that I signed for a "4" on a hole instead of a "5". What is the penalty?

**Answer:** Disqualification. If I had signed for a score higher than what I actually got, the higher score would count with no disqualification.

**Rule:** 3.3b(3)

### **Etiquette 101**

Be careful of the hole edges when pulling your ball out of the hole and don't yank the pin out to pull the ball out of the hole.
