**A word from your Golf Course  
Superintendent: Andy Woolston**

[andywoolston@cypresslakesgolfclub.net](mailto:andywoolston@cypresslakesgolfclub.net)

I hope you are having a great summer. We will be aerifying greens August 4th & 5th. Only 9-holes will be available each day. A necessary evil we must deal with to keep the greens the best they can be. Aerifying and verticutting will help with the heavy grain you have been seeing.

We are getting into the home stretch of summer; the rain and heat always makes it a challenge when it comes to maintaining a golf course. We tend to start seeing the daily ware of equipment more this time of the year due to the heat and continuous usage.

Please help us out by using cart paths as much as possible. Thank you for your support as we strive to make Cypress Lakes a fun place to play golf.

**Agronomy Tip:**

Now is the time to start planning on fall preemergent herbicide for the fall. As we get to the end of the month you will want to stay away from high nitrogen fertilization and go with higher P&K rates.

*Andy*

**Used Drivers**

If you have any drivers that are less than 10 years old that you have sitting around your house, they may have some value. Bring them to John and he will tell you what it is worth.

### **Pro Tip of the Month**

To get the most spin out of your clubs, make sure the grooves are clean and free of debris. Wiping your clubs off after each shot is essential in maximizing club performance. Prolong the life of your grips by cleaning them once per month. DON'T use a cleaning solution, just use hot tap water and a clean towel. Soak the grip and scrub the grip aggressively. Put some elbow grease into it. You will be surprised how dirty they are after your first cleaning.

Visit Our website:

and you will find a library of past newsletters with monthly tips.

Good Luck! John

Don't forget to use A LOT of sunscreen!

### **“Fill-in” Marshal/Starter spots available**

If you would like to be a fill-in when it works with your schedule, give Thomas a call 850-937-3820 and he will go over the program with you.

### **LGA Wednesday Play Day**

Off for the summer!

### **Rule of the Month**

**Question:** My ball was hanging on the edge of the hole. How long can I wait for it to fall in?

**Answer:** You are allowed a reasonable time to reach the hole and then 10 seconds.

**Rule:** 13.3a

### **Look who made a Hole-In-One**

**Congratulations!!!!**

John Steadham for getting his 1<sup>st</sup> ace on #4 using an 8-iron from 155 yards.  
Jaxson Simms, Cooper Davidson, & Jaxson Thomason witnessed this great shot!

### **Etiquette 101**

Please pick up your range balls on the practice putting & pitching greens. Also, be respectful of others when practicing chipping. Only use a few balls, not an entire bucket.
