READY GOLF!!!**

**A word from your Golf Course  
Superintendent: Andy Woolston**

[andywoolston@cypresslakesgolfclub.net](mailto:andywoolston@cypresslakesgolfclub.net)

May was a mild month with few hot days. This has the turf still transitioning from cool season to warm season grasses on our tees. The Bermuda grass should be filling in on the tees much better by the middle of this month. We will try to squeeze in a few sod projects if we can keep up with mowing. The maintenance crew has worked very hard this year and I am pleased how the golf course has stood up to the amount of traffic we have had. I also want to thank John and the board for giving us the resources to get the multiple projects completed.

Please remember that carts are always to be kept on paths around tees and greens. When we are "Cart path only", where there are no cart paths, select a rough and stay on it for the entire hole. Do not cross the fairway. Thank you for your support as we do our best to make Cypress Lakes a fun place to play golf.

**Tip of the month**

Keep yourself and your turf hydrated, treat for summer annual weeds, and keep your mower blade sharp.

**Rule of the Month**

**Question:** I was chipping the ball and accidentally double hit the ball. Is there a penalty?

**Answer:** No, it used to be but not anymore.

**Rule:** 10.1a

**Good Luck! John**

**Pro Tip of the Month**

(oldie but goodie)

**It's that time of the year.**

If your hands sweat a lot, you probably wear a glove. To prolong the life of your gloves and for better performance, alternate them between holes. Never wear a glove for two holes in a row. In this heat, I rotate 3 gloves during the round. The gloves dry out before rotated back into play. Your gloves will last longer and perform better.

DO NOT leave your clubs in your trunk during the summer. The trunks get so hot that it can ruin your grips and it could also loosen the heads of your clubs.

***Try these tips and I promise they***

***will help your game.***

**Good Luck! John**

***Look who got a Hole-In-One***

Our very own Andrew Robinson made his 1<sup>st</sup> ace on #8 from 169 yards using an 8-iron!! Terrance Mumphery and James Daw witnessed the great shot!

***Congratulations!***
